Listing description:

This 2019 Lagoon 42 Owner's Version is a turn-key bluewater cruising catamaran that blends comfort and performance.

The 3-cabin, 3-head layout provides a spacious owner's suite to starboard with a large island berth and a full bathroom.

Under sail, the fractional sloop rig and self-tacking headsail make for forgiving single/short-handed sailing.

Notable equipment includes an Onan 9 kW diesel generator (generator_onboard: true) supporting full power air conditioning.

Top features at a glance:

- Spacious owner's-suite layout (3 cabins / 3 heads)
- Sail plan approx. 1,011 sq ft with easy-handling controls led to helm
- Twin Yanmar 45 hp diesels, low hours, excellent service history
- Onan 9 kW generator; full air conditioning throughout
- 600 L fuel / 600 L water; efficient cruiser with ~500 nm motoring range
- Large cockpit with hardtop, wide side decks, and excellent visibility from helm
- Swim platforms with ladder and transom showers; davits for tender
- Non-flybridge design for reduced windage and lower center of gravity

Condition notes:

- Cosmetics excellent inside and out; gelcoat shows high gloss with no stress cracking observed in hull or deck
- Rigging inspections up to date; sails in very good condition with minimal UV wear
- Engines and generator serviced on schedule; clean bilges; dry machinery spaces
- Full records and manuals on board

This Lagoon 42 is a sought-after size in the modern cruising cat market, prized for livability, easy handling, and reliable performance.
