- listing_description:

This 2019 Leopard 43 Powercat presents in excellent condition and is turnkey for coastal cruising

Power and performance:

- Twin Yanmar 8LV-320 inboard diesels (320 hp each), approx. 850 engine hours
- Cruise 17 knots; top speed up to 23 knots (conditions/loads permitting)
- Typical fuel burn ~60 L/hr at 17 knots (both engines), yielding an operational range around 280–
- Shaft drive for reliability and easy service; electronic controls at both helms

Layout and accommodations:

- Three-cabin, three-head “owner’s version”: full starboard hull owner’s suite with queen berth, var
- Port hull with two guest cabins, each with en-suite head and shower
- Bright salon with panoramic windows, dinette to starboard, and aft galley with large counter space
- Cockpit and salon on a single level for easy indoor-outdoor living; wide transom steps for water a

Systems and options:

- Onan 9 kW diesel generator (approx. 620 hrs) powering multi-zone air conditioning and ship’s sy
- 780 L fresh water capacity; hot water via calorifier and generator/shore power
- 3000 W inverter/charger, 60 A shore charger, and 600 W solar array with MPPT controller
- 12V/110V distribution with upgraded house battery bank (AGM, new 2024)
- Electric freshwater flush heads, LED lighting throughout

Electronics and navigation:

- Dual Garmin 12" multifunction displays (flybridge and interior helm)
- Garmin HD radar, GPS/Chartplotter, AIS Class B transceiver
- Garmin autopilot, depth/speed/temperature transducers
- VHF with DSC and remote mic to flybridge
- Fusion multi-zone audio with Bluetooth and cockpit/flybridge speakers

- Forward-facing docking camera and underwater lights

Deck and handling:

- Flybridge hardtop with full canvas/isinglass enclosure, L-shaped settee, wet bar, and helm seating
- Electric windlass with helm and deck controls, 60 lb primary anchor with ample chain/rode
- High-freeboard bows and bridgedeck clearance designed to reduce slamming
- Integrated davits for tender (tender not included in sale)
- Non-skid decks, stainless rails, and wide side decks for safe movement

Safety and maintenance:

- USCG safety package: lifejackets, flares, throwables, horn, and nav lights
- 6-person coastal liferaft (service current through 2026), EPIRB, and fire suppression in engine room
- Bottom paint and propspeed completed December 2024
- Engines and generator serviced April 2025; heat exchangers inspected/serviced
- All manuals and service records on file

Notable advantages:

- Exceptional fuel efficiency for a planing-capable power boat thanks to twin slender hulls
- Stable platform at rest and underway; minimal roll compared to monohulls
- Huge volume for a 43-foot platform with two true helms (flybridge and interior) and climate-control

Currently lying in Fort Lauderdale, Florida, USA, and shown by appointment. Clean title, no known
