INSPECTED**

Vessel ID: L43PC-2019-00927
 Target Type: Power Catamaran
 Hull Count: 2
 Hull Type: Catamaran (semi-displacement)
 Propulsion: Twin inboard diesel, shaft drive
 Length Overall (ft): 43.3
 Beam (ft): 22.1
 Draft (ft): 3.1
 Displacement (kg): 13500
 Hull Material: Fiberglass (GRP)
 Engine Count: 2
 Engine Type: Inboard Diesel
 Fuel Type: Diesel
 Sail Area (sq ft): 0
 Mast Count: 0
 Rig Type: None
 Cabin Count: 3
 Berth Count: 6
 Year Built: 2019
 Price (USD): 649000
 Location Country: United States
 Builder: Robertson & Caine (Leopard Catamarans)
 Model: Leopard 43 Powercat

Condition: Used - Excellent
Engine Hours: 980
Max Speed (knots): 24
Cruising Speed (knots): 17
Range (nm): 320
Fuel Capacity (L): 1000
Water Capacity (L): 780
Generator Onboard: true
Air Conditioning: true
Flybridge: true
Helm Count: 2
Beam-to-Length Ratio: 0.51
Brand Popularity Score (0-100): 90
Electronics Score (0-100): 92
Safety Gear Score (0-100): 90
Photos Count: 48
Has Trailer: false

Listing Description:

Meticulously maintained 2019 Leopard 43 Powercat in excellent condition, turnkey and cruise-ready

Power and Performance

- Engines: Twin Yanmar 8LV-320 V8 diesels (320 hp each), approx. 980 hours, shaft drive
- Cruise: 17 knots at efficient burn; Max: 24 knots (conditions dependent)
- Range: Approximately 320 nm at cruising speed
- Draft: Only 3.1 ft—ideal for island hopping and shallow anchorages
- Excellent maneuverability and predictable handling in chop thanks to semi-displacement hulls

Layout and Accommodations

- 3-cabin / 2-head owner's layout with 6 comfortable berths
- Expansive salon with panoramic windows and convertible dinette
- Galley-up with solid-surface counters, dual refrigerators, freezer, microwave/convection oven, and 3-burner cooktop
- Private owner's suite with island berth, ample storage, and en-suite head with separate shower
- Guest hull includes two double cabins and shared head with separate shower
- Air conditioning: 3-zone chilled-water system, shore and generator capable

Deck, Helm, and Exterior

- Flybridge with hardtop, full helm, companion seating, wet bar with sink and fridge, and large dinette
- Second (lower) helm station for all-weather operation
- Wide, safe side decks, high guardrails, and excellent visibility
- Aft cockpit with lounge and table opens to the salon on a single level—superb flow for entertaining
- Electric windlass with foot switches; primary anchor: 60 lb Rocna with approx. 230 ft 10 mm chain

Electronics and Navigation (high-spec)

- Dual Garmin 12" GPSMAP multifunction displays (upper/lower helms)
- Garmin HD radar, AIS transceiver, autopilot, depth/speed/temperature transducers

- Fusion multi-zone audio with Bluetooth and salon/flybridge/cockpit speakers
- VHF radios at both helms with DSC; integrated engine data to MFDs
- LED nav and deck lighting

Mechanical and Electrical

- Northern Lights 9 kW generator (approx. 620 hrs)
- 50A shore power, smart battery charger, 2000W inverter
- House/engine battery banks with isolation and monitoring
- Hot water heater, pressurized hot/cold water throughout (780 L fresh water capacity)
- Fuel capacity 1000 L in dedicated tanks with Racor filtration and easy access
- Recent service: engines and generator serviced 08/2025; heat exchangers/impellers 2025; bottom

Safety and Gear

- USCG-compliant safety package: Type I PFDs, throwable, flares, horn
- 6-person offshore liferaft (service 2023), 406 MHz EPIRB
- Engine room automatic fire suppression and handheld extinguishers
- High-water alarms and bilge pumps in multiple compartments

Why This Boat

- Proven Leopard/Robertson & Caine build quality and market popularity
- Efficient cruising with the comfort and stability only a catamaran provides
- Flybridge plus lower helm flexibility for any weather
- Turnkey condition with recent maintenance and thoughtful upgrades
