Listing Description:

Exceptionally well-kept 2019 Aquila 44 Power Catamaran offering the sought-after 3-cabin, 3-head

Highlights:

- Spacious flybridge with robust hardtop, U-shaped seating, wet bar, grill, refrigerator, and dedicated helm
- Three generous cabins with en-suite heads; the owner's suite spans the starboard hull with abundant storage
- Air conditioning throughout, powered by a Cummins Onan 9 kW generator for quiet, efficient off-grid power
- Well-appointed galley with full-size refrigeration, induction cooktop, convection oven, deep sinks, and ample counter space
- Quiet, low-draft (3.6 ft) ride that opens up shallow anchorages and island hopping while maintaining excellent performance

Electronics and Navigation:

- Dual 12-inch multifunction displays at the flybridge helm (chartplotter with integrated sonar)
- Chirp depth sounder, closed-array radar, AIS transceiver, autopilot, GPS, and VHF with DSC
- Integrated engine data and fuel management
- Bow and stern cameras for docking confidence

Mechanical and Systems:

- Twin inboard diesels (approx. 820 hours), shaft drive for simplicity and reliability
- Cummins Onan 9 kW generator (approx. 620 hours)
- 12V/110V electrical systems with robust inverter/charger
- 700 L freshwater capacity with dual water heaters and pressurized hot/cold system
- Electric windlass with helm and foot switches, all-chain rode
- Trim tabs, dual thrusters (if fitted), and efficient catamaran hulls for smooth handling

Safety and Deck:

- USCG safety package including offshore PFDs, flares, and throwables

- EPIRB, horn, dual bilge pumps per hull with high-water alarms
- Fire suppression in machinery spaces
- Wide, secure side decks with high rails; large foredeck lounging area

Condition and Service:

- Professionally maintained with recent engine and generator services
- Bottom paint and propspeed applied within the past season
- Canvas and soft goods in excellent condition; gelcoat presents well with consistent shine
- Turn-key and cruise-ready

Why This Aquila 44:

The Aquila 44 is renowned for its smart use of space, fuel efficiency, and stable catamaran platform
