Listing Description:

This 2019 Aquila 44 Power Catamaran presents in excellent condition with a desirable 3-cabin/3-head configuration.

Highlights and equipment:

- Machinery: Twin Volvo Penta D4-300 diesels (300 hp each), approx. 725 hours; straight shafts with direct drive.
- Performance: 16-knot comfortable cruise; 22-knot top end in normal load/clean-bottom conditions.
- Helm and control: Dual helms (flybridge and lower station), hydraulic steering, bow thruster, electronic speed control.
- Electrical: 50A shore power, inverter/charger, AGM house bank, solar trickle charging on hardtop.
- Climate and comfort: Approx. 48,000 BTU air conditioning with multi-zone control; diesel hot-water heater.
- Galley/salon: Full-beam salon with panoramic views, solid-surface counters, full-size refrigerator/freezer.
- Accommodations: Owner's suite in starboard hull with queen berth, desk/vanity, and private head.
- Deck and exterior: Rigid hardtop flybridge with lounge seating, wet bar (sink, refrigerator, icemaker).
- Electronics (flybridge and lower helm): Dual Garmin multifunction displays (flybridge 16", lower helm 12").
- Safety gear: USCG-compliant kit for coastal/offshore, 8-person valise life raft (service dated 2023).
- Tankage: 2,195 L diesel (approx. 580 US gal) in dual tanks; 680 L fresh water (approx. 180 US gal).
- Recent service (2024): Engines and generator serviced (oil, filters, impellers), heat exchangers inspected.

Why this boat:

- Catamaran stability and volume with genuine passagemaking efficiency at displacement speeds.
- Excellent visibility and redundancy with two helms and a protected lower station for foul weather.
- Proven, efficient Volvo D4 package; serviceable straight-shaft drivetrain.
- Turnkey systems fit-out for extended cruising, charter, or liveaboard comfort.

This Aquila 44 Power Catamaran blends space, efficiency, and modern systems into a compact cruising vessel.
